RE: **RCW 43.20.100, ANNUAL REPORT**

Background and Summary

The Board is required by Section 43.20.100 of the revised code of Washington to submit an annual report to the Governor. I have attached for your review and comment a draft of proposed text for the 2004 Annual Report to the Governor, which would be submitted in January 2005.

Today's agenda item is an opportunity for the Board to review and comment on the working draft of the report text. There will be an opportunity for formal approval of the annual report at the December meeting.

A copy of the 2003 report is also including in your packet. I am proposing a similar format for the 2004 report.
